

To Whom It May Concern:

As the Creative Director at Silverton Hotel and Casino, I am writing with great pleasure to recommend the Banana Derby's services. The Banana Derby was a feature of our Halloween festival, Fright Fest and our staff was very pleased with their performance. It is always a pleasant surprise when our expectations are exceeded. Whenever the Banana Derby performed during our festival guests would flock to watch the show (there was not a single empty chair available). The show was a great success and I am glad we decided to invite them to our property. We received much positive feedback about their show from guests and members of our staff.

Phil and his team were easy to work with and did a wonderful job of executing plans. I recommend the Banana Derby without reservation as an entertainment option for your event or venue. Photo opportunities after the show with the monkey were a great-added bonus as well.

Sincerely,

Alison Gramenos Creative Director
